

DOORSTEP SURVEY 2019

These activity sessions are supported by StreetGames and Sport England - who in turn ask us to collect some information about the people that take part. To help us to do this, we would be really grateful if you could take a few minutes to fill out the questions and return to your project leader as soon as possible.

Please be assured, that the answers will only be used in aggregated format – the surveys will not be used to identify any individual responses and you do not need to write your name on this questionnaire. Thank you.
